

DALLMER

DALLMER GmbH + Co. KG Wiebelsheidestr. 25 59757 Arnsberg

Arnsberg, im Dezember 2024

Information on product safety according to Regulation (EC) No. 1907/2006 ("REACH") within the framework of the Product Safety Regulation (EU) 2023/988 (GPSR)

Dear customer,
as a producer of drainage products, we are in the role of the "downstream user". These products are articles in the sense of REACH.

Our products are not notifiable for ECHA according Art. 33 Absatz 1 REACH-regulation and do not contain any particularly hazardous substances (SVHC; "Substances of Very High Concern") of the candidate list (newest version) according to article 59 (1) that exceeds 0.1% by mass.

Should we become aware over time that products from our suppliers contain substances of the candidate list that lead to a concentration of more than 0.1% by mass in the manufacture of our products, we will fulfil our legal obligation to inform you.
